Návod, ako stavať kvalitne,
s ohľadom na krajinu, miestne
tradície a trvalo udržateľný
rozvoj.

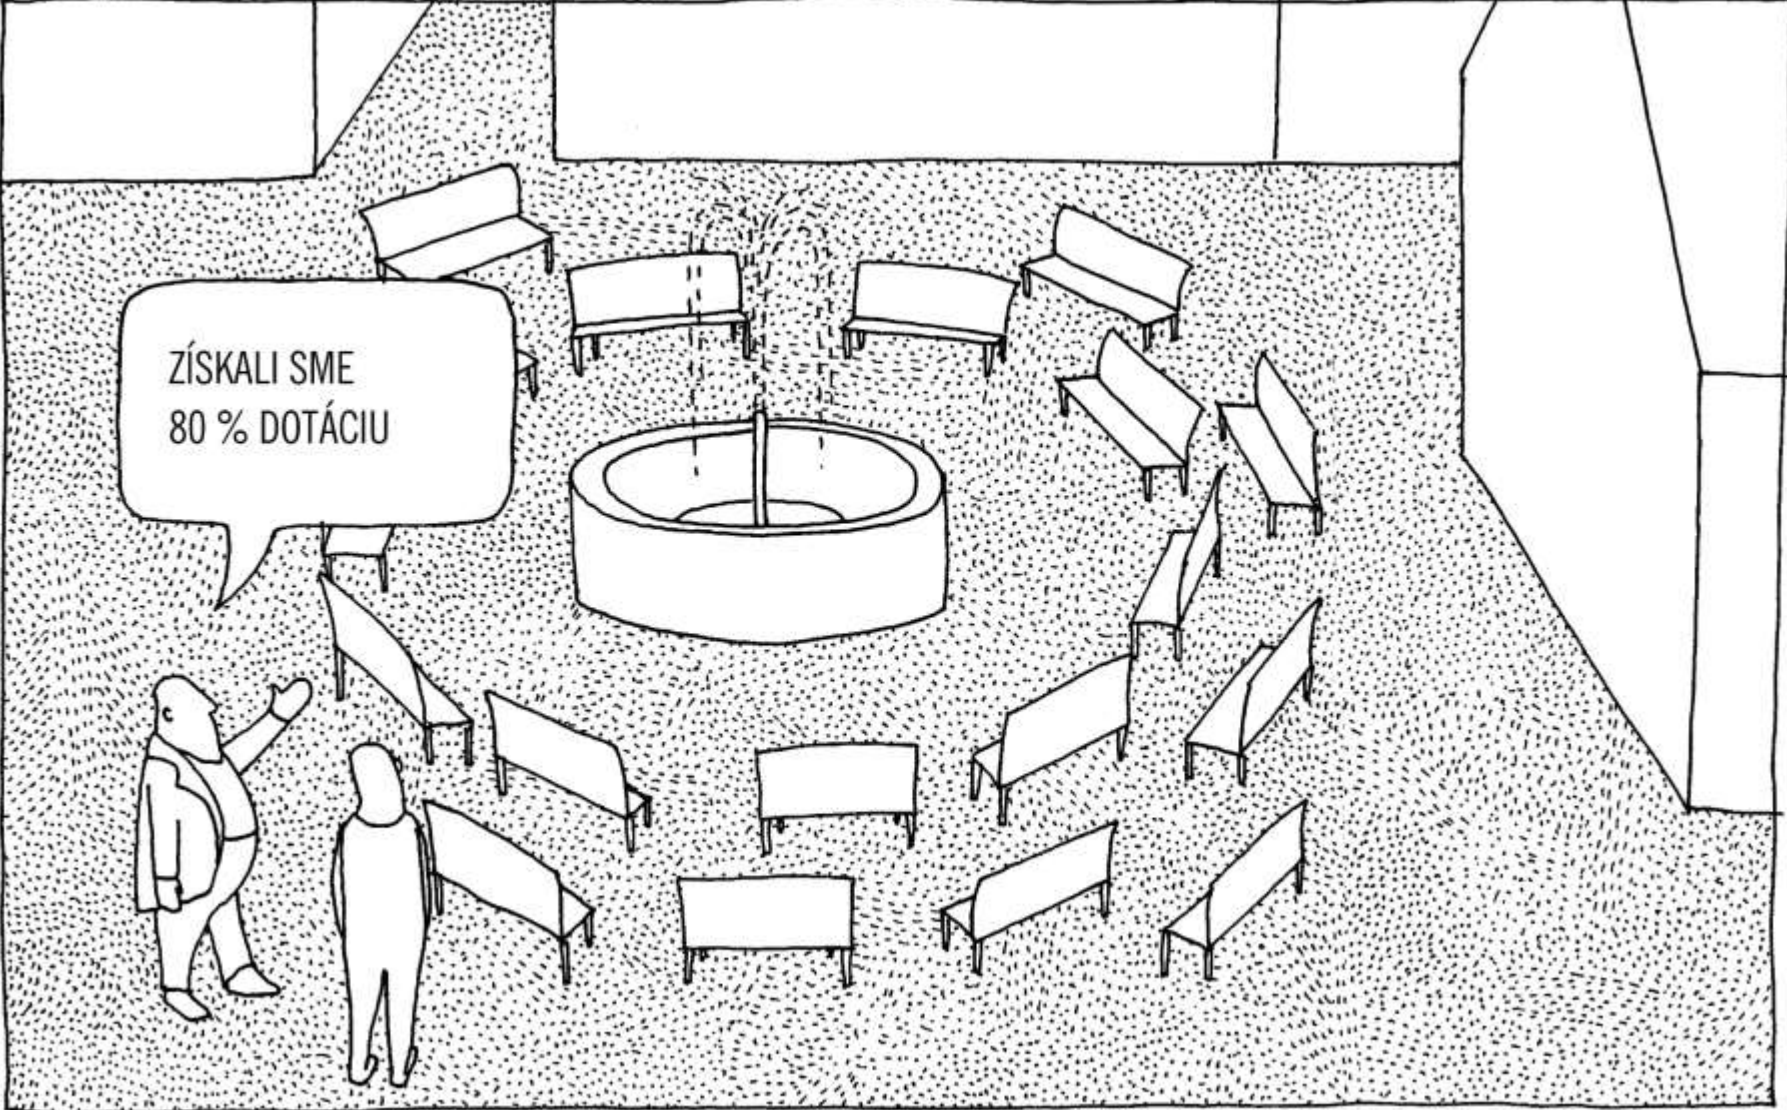

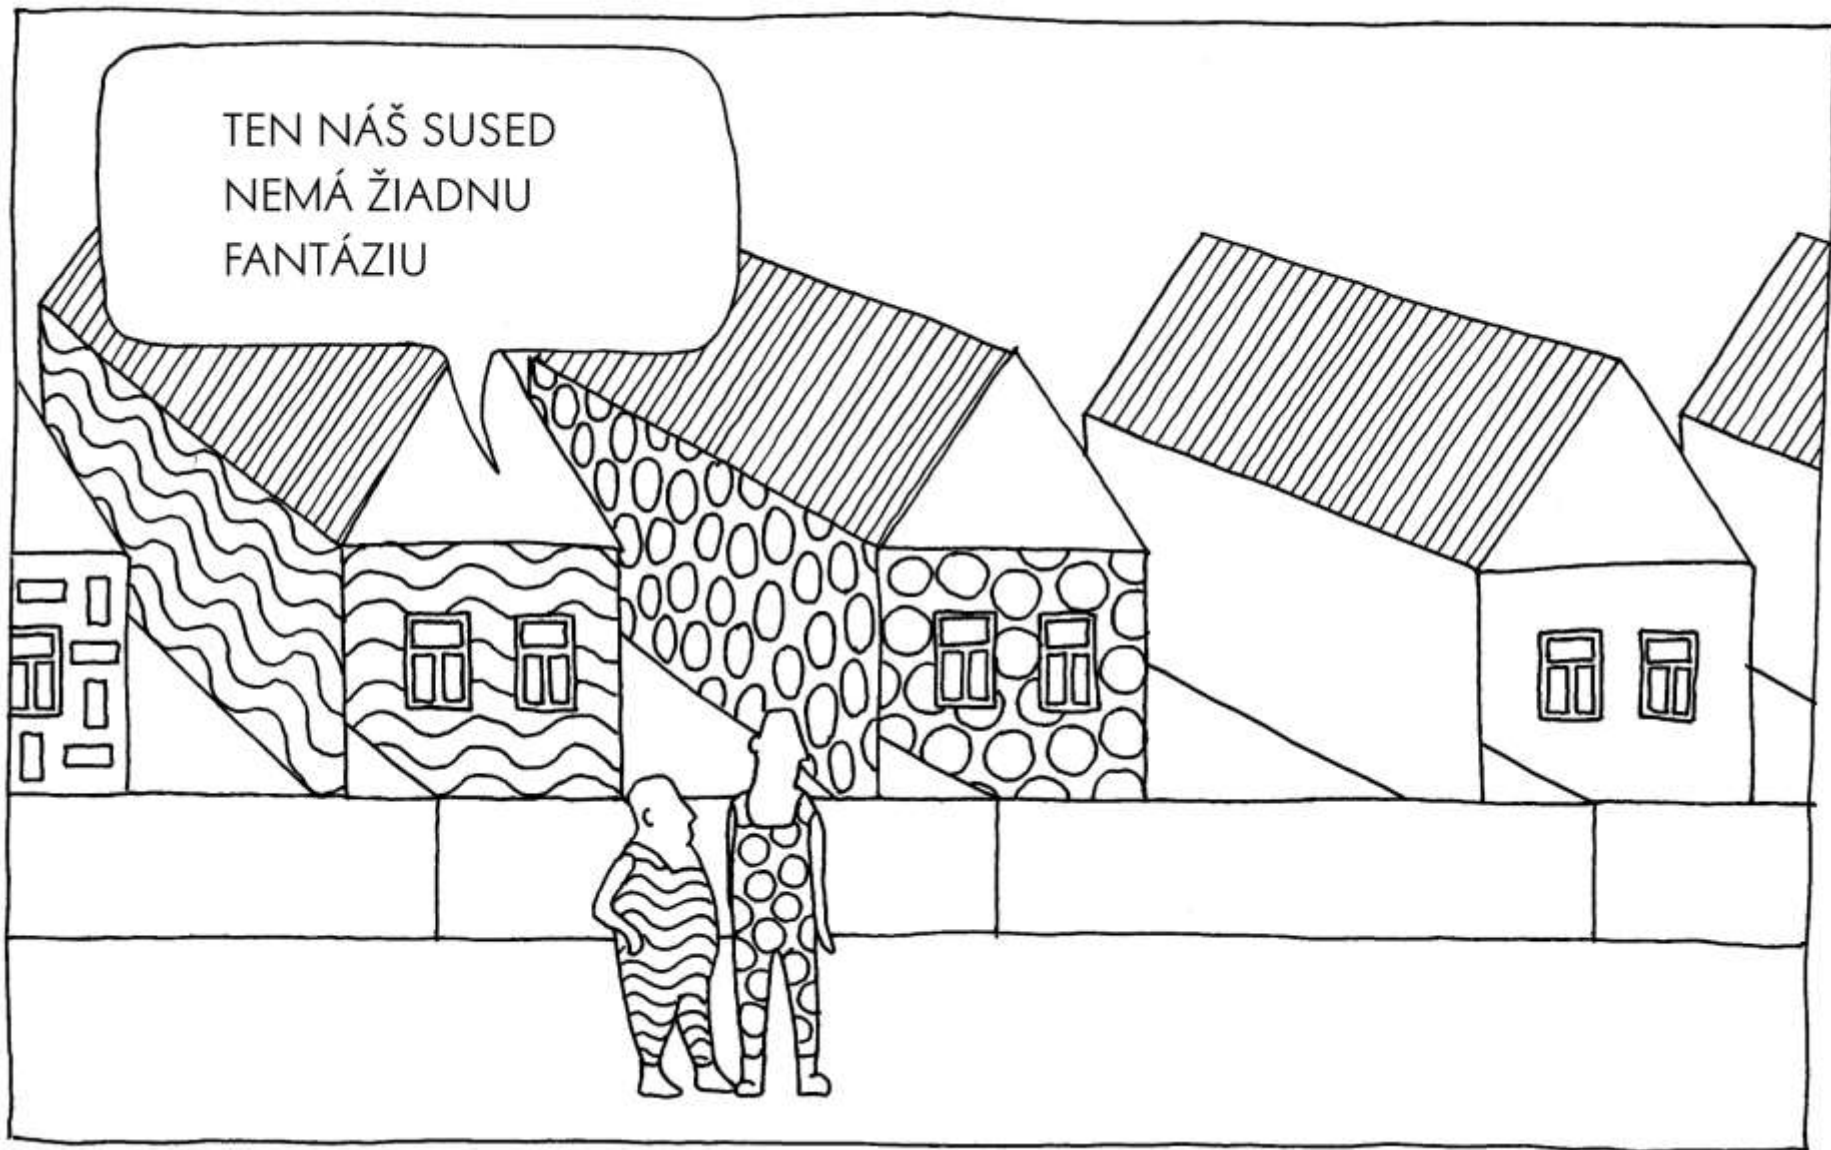

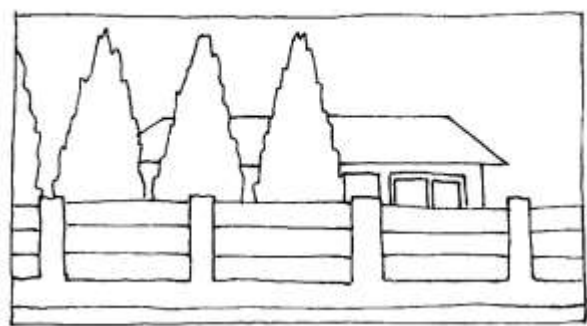

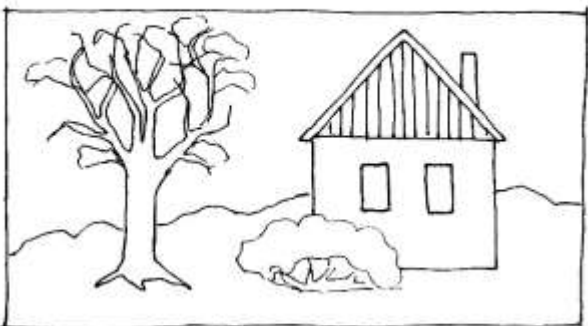

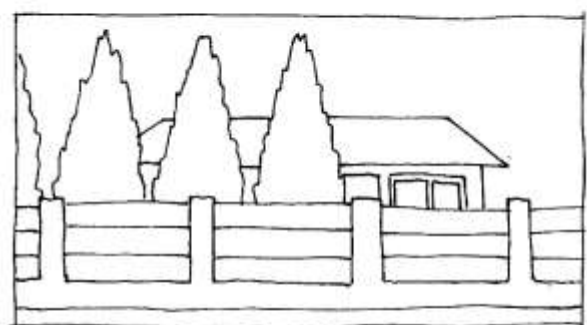

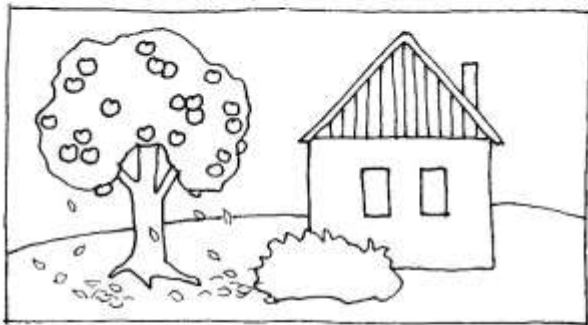

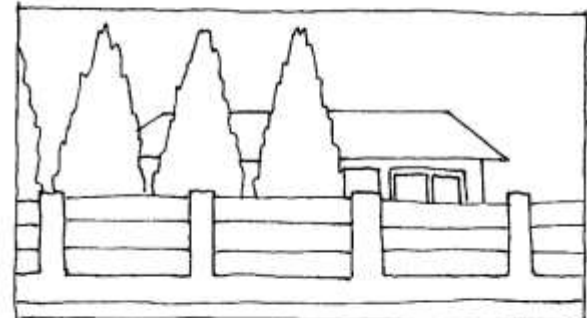

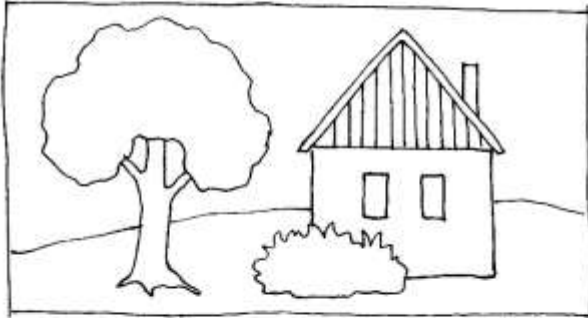

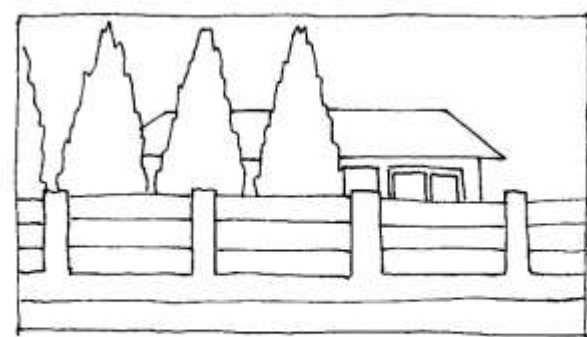

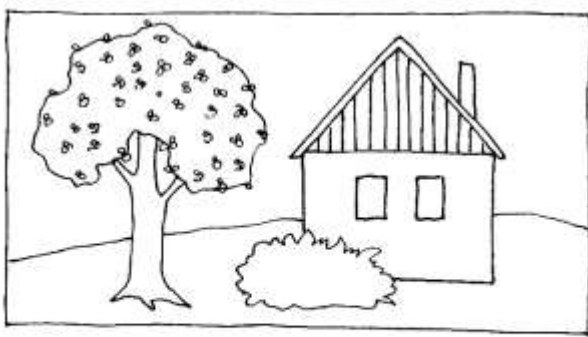

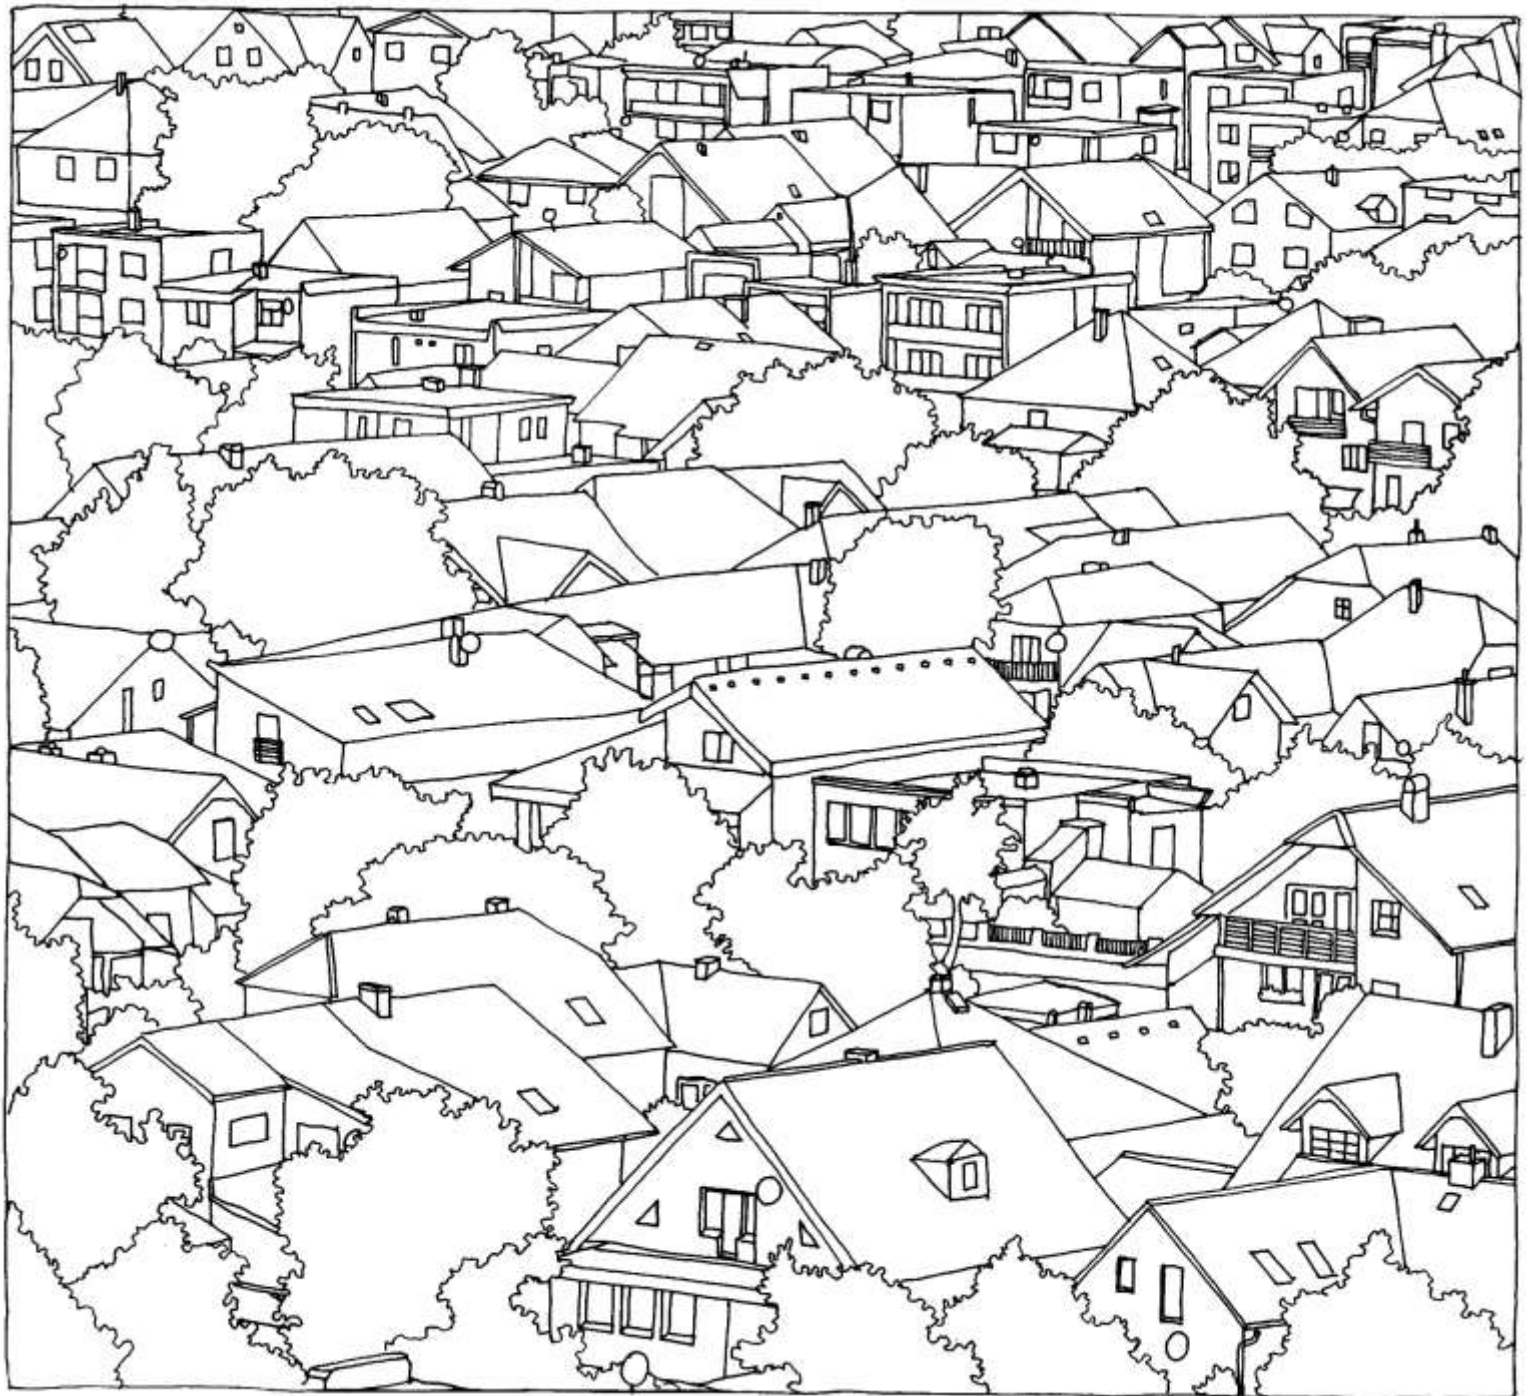

A black and white line drawing of a conference room. In the center, a man in a suit is speaking, gesturing with his right hand. A speech bubble next to him contains the text "ZÍSKALI SME 80 % DOTÁCIU". The room is filled with rows of empty chairs facing the speaker. A large circular table is in the center of the room. The floor is textured with a stippled pattern.
